Re: EPA Testing Sauget-Cahokia Property

Dear Dick:

Enclosed is a Certificate of Insurance which we received concerning the coverage for Ecology & Environment, Inc., the testing company who is under contract to the EPA for survey of the subject property. Even though they have statutory limits on all items, you will note that under general liability the box is marked for explosion and collapse hazard and underground hazard are not checked, and I would suppose that they may have that problem on the East Side. After review of same, please give me a call so that we can discuss how to respond to the EPA in this matter.

Best regards,

Frank L. Pellegrini
